BRIGHT FUTURE HIGH SCHOOL, ULWE

Bright Future High School mission is to develop with active & creative minds, a sense of understanding & compassion for other and the courage to act in their believe, through world class education, through knowledge creation and through inculcating life skills.

VISION - TO INVOLVE & EVOLVE

Message by president
Shri Ganesh Mhatre

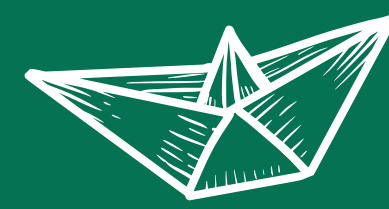

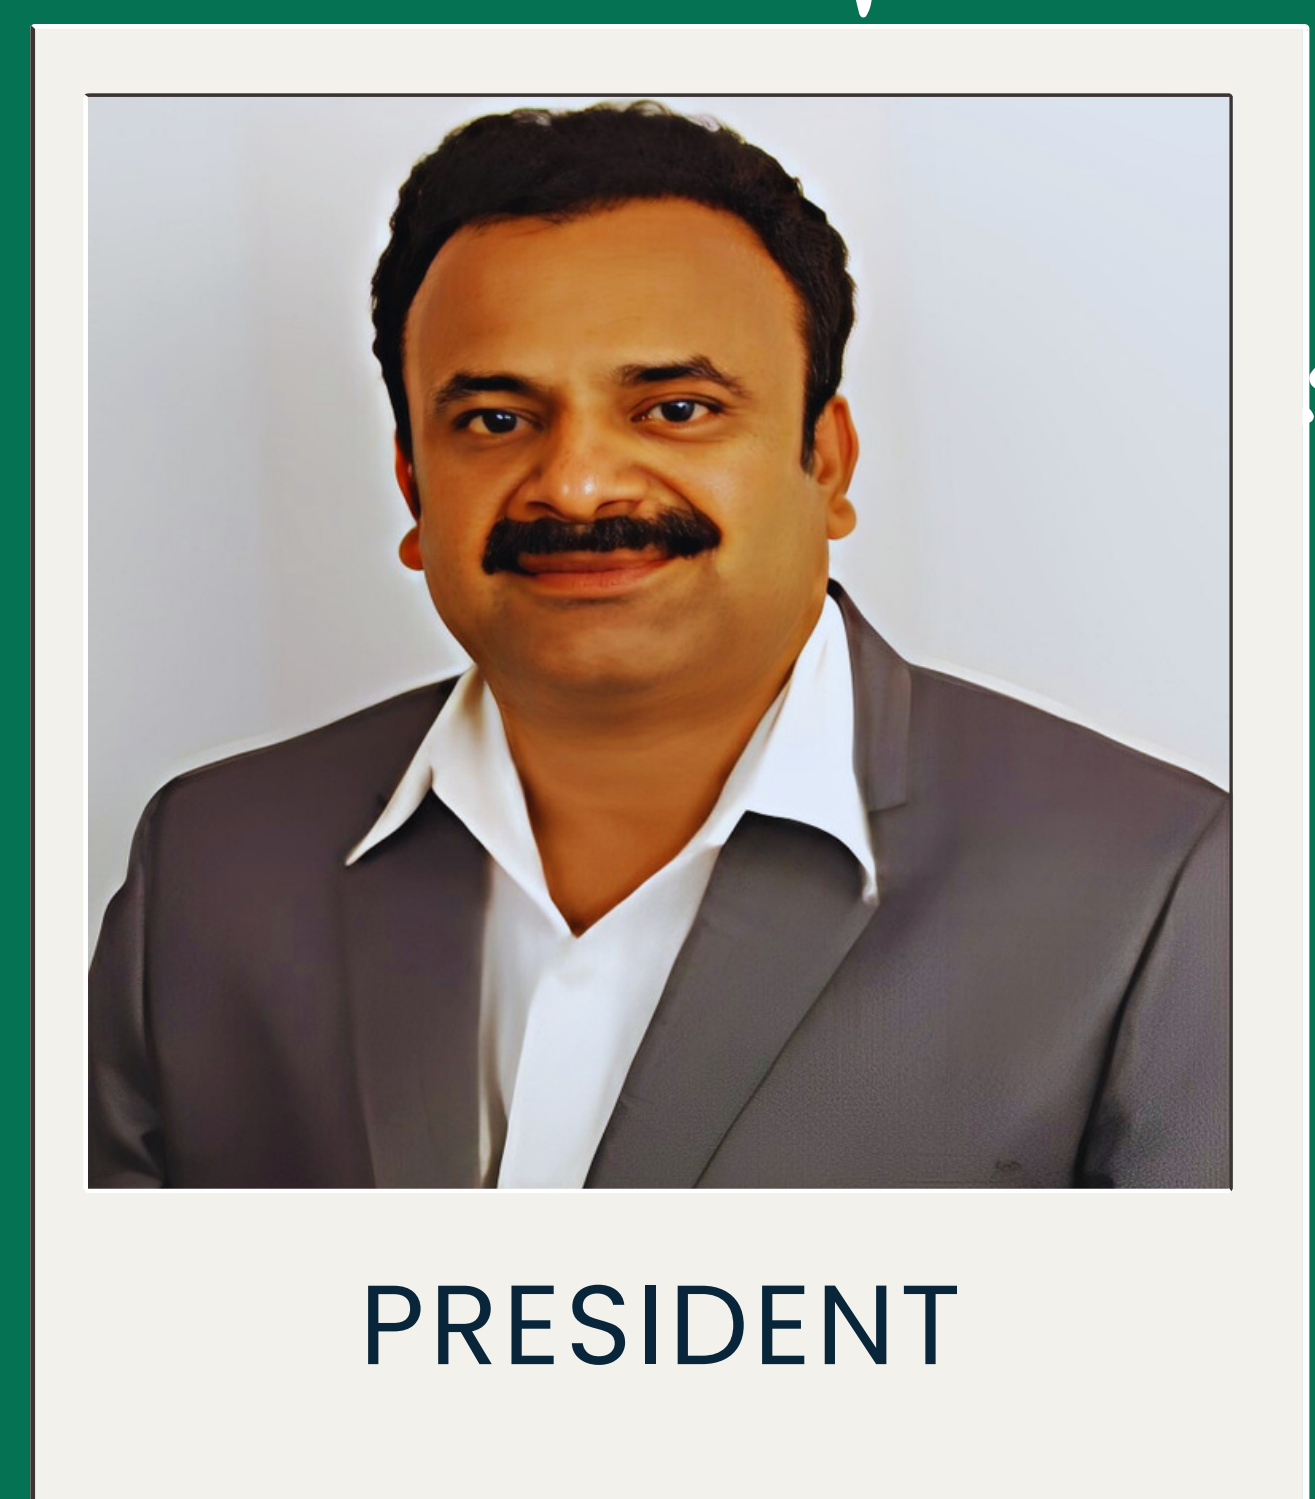

Three years ago, when Bright future was established at Ulwe, it was the step towards the realization of the vision **"To Involve and Evolve"**

The hard work dedication & commitment of our staff and students under the able guidance of Principal **Mrs. Shahina** Shaikh have turned this institute into one of the Recognized institution in Ulwe.

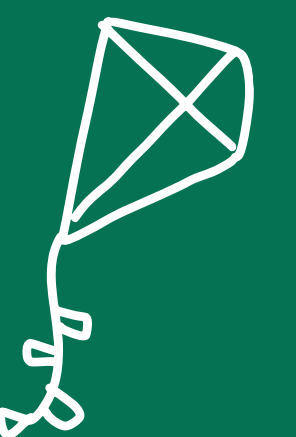

So Dear students, as I welcome you to this institute on behalf of the Seawoods Prakashgrasth Shikshan Sanstha. I would like each one of you to remember that you are a unique individual who has the power to make a world of difference.

Our efforts shall always be to provide you with a sound "learning and doing" environment, for we believe that talent can prosper only when it is recognized and appreciated.

Our belief and conviction is to impart education with values. The Importance of value based education to build better world, has been and will always be our motto.

"Without continual growth and progress such words as improvement achievement and success have no meaning"

Message by Trustee
Shri Piyush Mhatre

Indian Society is undergoing a rapid transformation Individuals as well as institutions require a new dynamism to cope with the fast changing environment. This is especially true of educational institutions which mould the citizens of the future. Education, therefore need to evolve, diversify and extend its reach. Principal & Teachers need to be constantly on their toes to keep pace with the knowledge explosion & the increasing expectations of students, parents & the society as whole. Bright future high school anticipating this need for change introduced a number of new concepts in its tradition of setting trends.

Good education encourages students to develop their personalities to the fullest extent arouses their creative instincts & makes them worthwhile citizens of the society Bright future high school mission is to develop with active & creative minds, a sense of understanding & compassion for other & the courage to act in their believe creation through and world class education, through knowledge and through inculcating life skills.

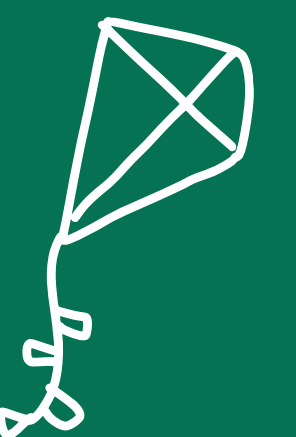

Needless to say that this would not be possible without the active co- operation & encouragement of the parents. I would like to take this opportunity to thank the parents & teachers who have continuously supported in the development of school's philosophy. It is a matter of pride that I lead such a team of committed and sensitive people and I hope that we shall forever continue on this journey together, serving a common goal and persevering with all our hearts.

preparation for life
Education is life itself
!"**

Message by Principal
Smt. Shahina A Shaikh

Today change is the need of the hour, but more importantly change in a positive direction. Bright Future High School at Ulwe, is the instrument of bringing about such a change.

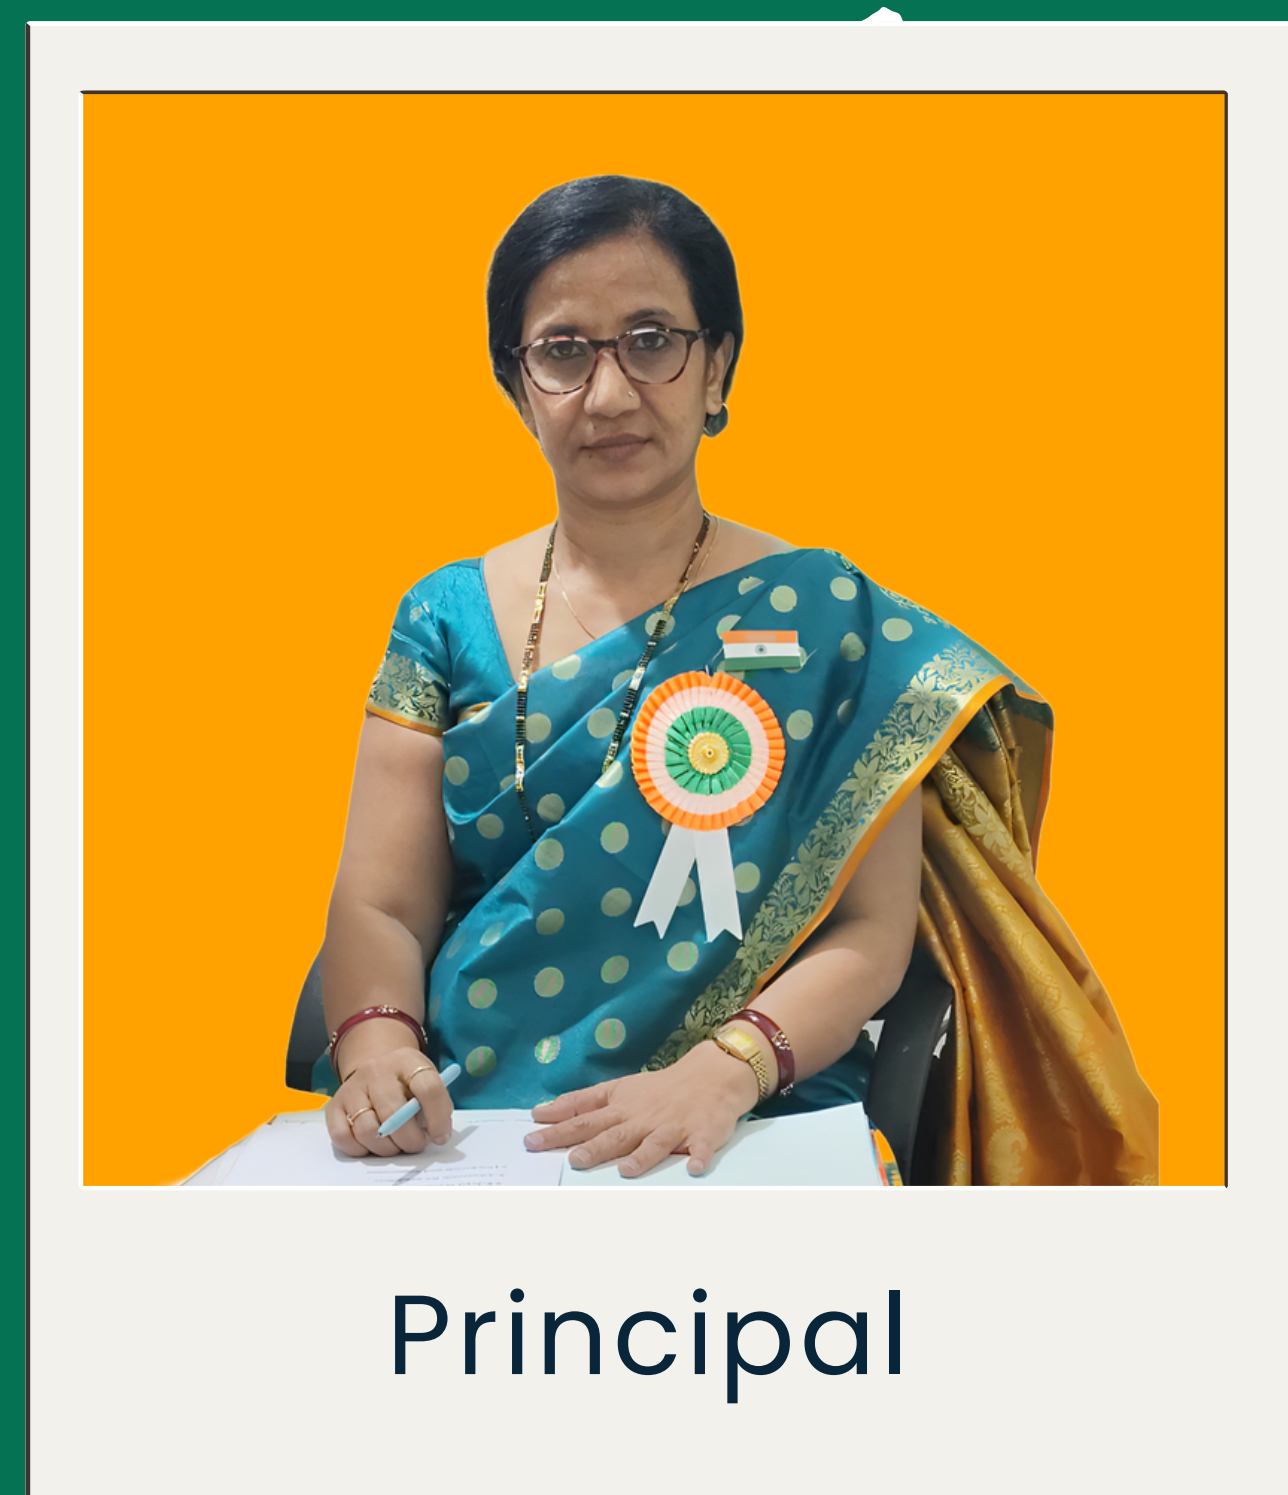

Our education system is more open towards incorporating skill-based learning as part of the curriculum with equal importance to academics.

Students of today are the torch bearers of tomorrow and they should be given a change to voice their opinion and make themselves heard.

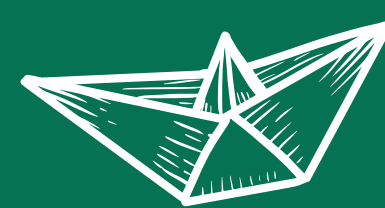

In Bright Future High School, it has been our sincere endeavour to not only groom our students to strive for academic excellence, but also to help them fill their lives with the light of positivity and disposition of happiness. And so, we ensure to provide an enabling environment & careful nurturing.

We aspire to keep the students rooted to our great culture and traditions. I wish Bright Future High School Ulwe, to keep up the good work and achieve great heights of glory in coming years with the support of all our well-wishers.

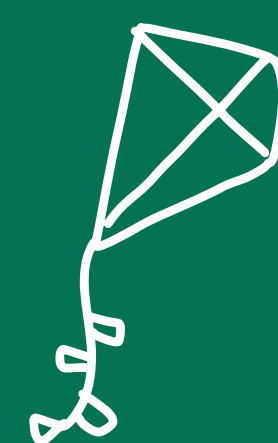

~ I welcome all the new students & wish them all a fruitful & bright future.

Principal

"An investment in knowledge pays the best interest."

EDUCATION IN PRIMARY

The Students of classes I-VII are taught English, Hindi, Marathi, Mathematics General Science and social studies. The students of classes I-II learn environmental studies in place of social studies [CCE] continuous and comprehensive assessment system is followed to assess the students. Brain development courses which enhance the I.Q, Defense activity such as karate, Dance, Music, Sports and Scout Guide is also a part of primary curriculum. Students have the opportunity to do some research work through projects and independent thinking sufficient forums are found for all the children to display their talents and skills through various competitions. Inter House activities and cultural programme, experimental learning is also done through field trip.

The teaching Methodology is "**LEARNER CENTERED**" nurturing the promotion of multi-intelligences and Academic excellence. Great emphasis is laid on the development of communication skills & overall development of a child's personality.

LEADERSHIP IS THE CAPACITY TO TRANSLATE VISION INTO REALITY

Strong believing in the dictum that today's children are the future leading of the nation, importance is laid upon training for leadership. The school accomplish the system of house Prefectorial.

SOCIAL OUTREACH PROGRAMMES

Aim towards the development of social values in children. Donation to the flood victims, Tree plantation Drives Rely on awareness, Visit to old age homes and orphanages are some of the philanthropic

PARENT-TEACHER MEETING

Parent-Teacher Interactions are arranged on the second & fourth Saturday of a month where the parents receive "Performance Summaries" of their wards.

MORNING ASSEMBLY

The morning Assembly features the mass singing of prayer songs. National/Patriotic songs and the National Anthem Inspiring talks based on philosophical thoughts. News reading by students, Yoga, Meditation, Mass, P.T etc form an integral part of the Morning Assembly.

VALUE EDUCATION

To strengthen the value system, the school has included Education in Human Values in the school curriculum

NEW TECHNOLOGIES

As part of digital teaching learning, school have Audio Visual classroom installed with overhead projector to provide smart class E- learning programme. Wifi system have been installed in a computer lab to get an internet access.

SCHOOL LIBRARY

A number of books provide ample opportunities to the students to explore the unending magic of the printed world.

EDUCATION IN PRE-PRIMARY

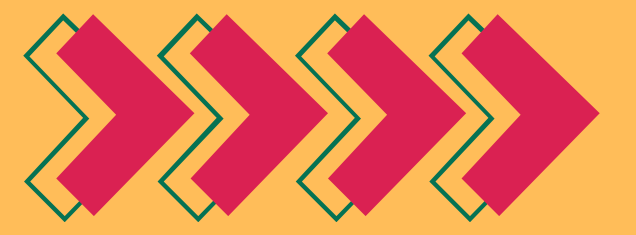

Teachers conduct one to one session with parents and their child for a longer duration in order to understand the needs of the child's strengths and weaknesses before the classes begin.

Teacher guide her student through the learning process helping them gain self-confidence and nurture their interest.

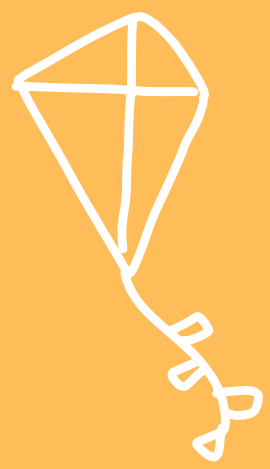

Classrooms are clean colourful & explorative. Toilets are kept clean at all times. All the children are treated as equal irrespective of their family's social status or its educational background after all each child is gifted and deserves the best as school has to offer. Hence a school is transparent with its methodology and encourages communication with all.
